

**Batch Mixers: \$17.75-\$18.05 per hour**

King Nut Companies is a national leader in snack nut production. We have positions open on ALL shifts at our facilities in Solon (SE suburb of Cleveland).

We will train you if you have the basic ability. Batch Mixers work in our mixing facility and make large batches of our trail mixes by combining nut and fruit ingredients into a bin and then mix them where they will then be ready for packaging. We require ability to lift 50 lbs. and have basic math skills and attention to detail. No previous experience required. Matching 401K & health insurance.
